

# PROJECT GLOSSARY

## Instructions:

Use this glossary to track and define important terms, concepts, materials, references, or cultural ideas that are emerging in your research. This is a *living document* – keep updating it as your project develops. You can include fashion-specific terminology, literary ideas, cultural references, and even words from different languages that feel relevant to your theme or muse

Word / Term	Definition / Meaning	Relevance to Project

## Ideas for What to Include:

- Literary concepts from your chosen book (e.g., "diaspora", "surrealism", "gothic")
- Fashion or textile techniques (e.g., "felting", "draping", "upcycling")
- Cultural or identity-related terms (e.g., "Afrofuturism", "androgyny", "class struggle")
- Keywords from visual research (e.g., "military tailoring", "ritual dress", "streetwear codes")
